NAVSEA 21-CEETI/AHDA Pilot Program

21-CEETI/AHDA Pilot Program Concept Model A

Note:
 UARC will not be on the hook for technical deliverables by the Virtual UARC – they may be encouraged to site some of their own projects at the campuses as they deem fit. They may also receive tasking from NAVSEA 21-CEETP to provide mentoring and technical assistance to the Virtual UARC

NAVSEA 21-CEETI/AHDA Pilot Program

21-CEETI/AHDA Pilot Program Concept Model B

Note:
Virtual UARC will be tasked directly by NAVSEA via available contracting vehicles. Mentor - UARC will not be on the hook for technical deliverables for which Virtual UARC has been tasked – they may be tasked to site some of their own projects at the Virtual UARC campuses. They may also receive tasking from NAVSEA 21-CEETP to provide mentoring and technical assistance to the Virtual UARC
